# Third Annual Chronic Lung Disease Conference: A Multidisciplinary Approach

Thursday, March 16, 2017

Ruth and Tristram Colket, Jr.
Translational Research
Building

Children's Hospital of Philadelphia

chop.cloud-cme.com

### **Course Information**

#### **Course Overview**

Severe Chronic Lung Disease (CLD) of Infancy or Bronchopulmonary Dysplasia (BPD) is a major complication of premature birth affecting approximately 25 percent of preterm infants with birth weights less than 1,500 grams and 50 percent of infants weighing less than 750 grams at birth. This debilitating lung disease carries high costs in terms of medical utilization and lengthy hospital stays with persistent respiratory illness, pulmonary hypertension, delayed growth and development. In addition to significant morbidities, poor long-term neurodevelopmental outcomes are

Management of infants with severe CLD/BPD is extremely challenging due to multisystem involvement and multiple factors influencing the presentation of chronic lung disease. Therefore, a coordinated, evidenced-based, multidisciplinary team approach to the management of infants with severe CLD is crucial to achieving improved outcomes for this high-risk population. Care strategies can be challenging during the NICU stay and frequently these challenges continue throughout the child's life.

This course is intended for physicians, advanced practice nurses, physician assistants, nurses, respiratory therapists, and the other members of the multidisciplinary team including occupational therapists physical therapists, speech-language pathologists, dietitians and social workers who provide care for patients with CLD/BPD. This course will explore the pathophysiology, current research and major clinical aspects of severe CLD management including diagnostic and treatment options. This course will also discuss the long-term needs of this population.

#### **General Information**

The conference will be held in the Ruth and Tristram Colket Jr., Translational Research Building at Children's Hospital of Philadelphia. The registration fee is \$125 and includes continental breakfast, breaks, lunch, parking and syllabus material.

#### **Course Objectives**

Upon completion of this course, participants should be able to:

- Recognize the importance, and components of a multidisciplinary approach to care for infants with severe BPD/CLD
- Describe the complexities of care for management of acute and chronic phases for infants with severe BPD/ CLD

- Examine the evidence-based approaches to care for the preterm infant in an effort to prevent and treat BPD/ CLD
- Describe the current and future state of ventilatory management of the infant with severe BPD/CLD
- Discuss the impact of pulmonary hypertension on the morbidity and mortality of the BPD/CLD patient
- Explain the potential application of liquid ventilation in peopates with severe BPD/CLD
- Describe trunk pressures (intra-abdominal and intrathoracic) as critical support for the concurrent needs of breathing and postural stability.

#### **Hotel Accommodations**

A block of rooms with reduced rates has been reserved at the Sheraton University City Hotel, 36th and Chestnut streets, Philadelphia, Pa. 19104. The group rates are \$172 single and double occupancy plus a 15.5 percent room tax. Participants are required to make their own hotel reservations by calling the hotel directly at 888-627-7071 or 215-387-8000. Please mention the name of this conference when making your reservation. The special room rate will be available until Feb. 13, 2017. After that date, reservations will be accepted on a space and rate availability basis.

#### **Cancellation and Refund Policy**

Children's Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, Children' Hospital of Philadelphia will refund any registration fees, less a \$25 service charge, but is not responsible for any related costs, charges or expenses to participants, including cancellation charges assessed by airlines/travel agencies. In order to process refunds for course withdrawals, cancellation must be received in writing by Monday, March 6, 2017. No refunds will be issued thereafter.

#### Services for the Disabled

If special arrangements are required for an individual with a disability to attend this meeting, please contact the Continuing Medical Education Department at 215-590-5263.

#### **ACCME Accreditation Statement**

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

#### AMA Credit Designation Statement

Children's Hospital of Philadelphia designates this live activity for a maximum 7.0 AMA PRA Category 1  $Credit(s)^{TM}$ . Physicians should claim only the credit commensurate with their participation in the activity.

#### **Nursing Accreditation Statement**

Children's Hospital of Philadelphia is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation

#### **Respiratory Accreditation Statement**

Pending Approval from The American Association for Respiratory Care, this conference will be eligible for 7.0 Continuing Respiratory Care Education contact hours.

#### Speech Therapy CEU Statement

the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology

and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

ASHA: This program is offered for .7 CEUs (Intermediate level, Professional area). Instructional Personnel Disclosures, financial and non-financial. can be found at chop.cloud-cme.com.

#### Clinical Nutrition CPEU Statement

Children's Hospital of Philadelphia is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered Dietitions (RDs) and Dietetic Technicians, registered (DTRs) will receive 7.0 continuing education credits (CPEUs) pending approval, upon completion of this course.

#### Physical Therapy CEU Statement

Application has been made to the New Jersey State Board of Physical Therapy Examiners and the Pennsylvania State Board of Physical Therapy Examiners.

#### Occupational Therapy AOTA CEU Statement

7.0 contact hours or .7 AOTA CEUs will be awarded to participants at the completion of the program. Assignment of AOTA CEUs does not imply endorsement of specific course content, products or clinical procedures by AOTA. Approved Provider Number: 4878 Appropriate for Intermediate-Level Occupational Therapists

#### **Social Work Continuing Education Credit** Statement

CHOP is a pre-approved provider of continuing education credits for Pennsylvania Licensed Social Workers, Marriage and Family Therapists, and Professional Counselors. Participants licensed in Pennsylvania who attend the full workshop and completed the required evaluation are eligible for 7.0 continuing education credits. Participants licensed in other states should check with local licensing boards to determine continuing education approval.

Taylor, 1 day old

## **Program – Thursday, March 16**

7:30 a.m. Registration and Continental Breakfast 7:50 a.m. Welcome, Introductions and Program Overview How Much Evidence Is There to Prevent, or Treat BPD? 8 a.m. Haresh Kirpalani, MD Comprehensive Evaluation for Infants with Severe Bronchopulmonary Dysplasia: 9 a.m. Crucial for Successful Treatment Huayan Zhang, MD 10 a.m. **Break/Visit Exhibits** 10:15 a.m. The Will to Live Tammy Hughes — Taylor's mom 11 a.m. It Is Time to Get Serious About Prematurity-related Pulmonary Hypertension Brian D. Hanna, MD, PhD Noon Lunch 1 p.m. **Keynote Speaker** Linked: Breathing and Postural Control Mary Massery, PT, DPT, DSc Communication and the Chronic Patient: Managing Caregivers' Expectations 2 p.m. in the CLD Population Heidi Morris, MMS, PA-C Ma Luisa Hasiuk, MSW, LCSW Kathleen Nilan, RN Break 2:45 p.m. Ventilation Strategies and BPD: "Getting Loopy" 3 p.m. David A. Munson, MD Neonatal Liquid Ventilation: "Liquid Gold" 3:45 p.m. William W. Fox, MD

Closing Remarks/Course Summary/Adjourn

4:30 p.m.

# **Course Faculty**

Unless otherwise noted, faculty is from Children's Hospital of Philadelphia and the Perelman School of Medicine at the University of Pennsylvania

#### **Course Directors**

#### Kathleen A. Nilan, RN

Nurse Coordinator Newborn and Infant Chronic Lung Disease Program Harriet and Ronald Lassin Newborn/Infant Intensive Care Unit (N/IICU)

#### Huayan Zhang, MD

Attending Neonatologist
Medical Director
Newborn and Infant Chronic Lung Disease Program
N/IICU
Associate Professor of Pediatrics

#### **Course Faculty**

#### William W. Fox, MD

Attending Neonatologist Director, Infant Breathing Disorders Center N/IICU

#### Professor Emeritus of Pediatrics Brian D. Hanna, MD, PhD

Director, Section of Pulmonary Hypertension, Division of Cardiology Clinical Professor of Pediatrics

#### Ma Luisa Hasiuk, MSW, LCSW

Social Worker

#### Haresh Kirpalani, BM, MRCP, FRCP, MSc

Attending Neonatologist Program Director, Newborn and Infant Chronic Lung Disease Program Professor of Pediatrics

#### Heidi Morris, MMS, PA-C

Physician Assistant Department of Neonatology

#### David A. Munson, MD

Attending Neonatologist Medical Director, N/IICU Associate Professor of Pediatrics

#### Kathleen A. Nilan, RN

Nurse Coordinator Newborn and Infant Chronic Lung Disease Program, N/IICU

#### Huayan Zhang, MD

Attending Neonatologist Medical Director N/IICU Associate Professor of Pediatrics

#### **Guest Faculty**

Tammy Hughes Mom of Taylor, a former N/IICU patient

#### **Conference Planning Committee**

Emily Bingham RD, CNSC, LDN
Meghan Burkhardt, MS, OTR/L
Jayne LaFrennie Celeste, RN
Erin Coleman, RN, BSN
Regina Flynn-Roth, MSN, RN-BC
Ma Luisa Hasiuk, MSW, LCSW
Sarah McConnell, MA, CCC/SLP
Natalie Napolitano, MPH, RRT-NPS, FAARC
Patti O'Connor, RN, BSN, MS
Joanne Patykula, MSN, CRNP, NNP-BC
Elizabeth Paul, RD, CSP, CNSC, LDN
Suzanne Shepard PT, DPT, PCS
Elissa Truitt, MSSA, LSW
Julia Welc, MA, CCC/SLP
Audrey Wood, PT, MS, DPT, PCS

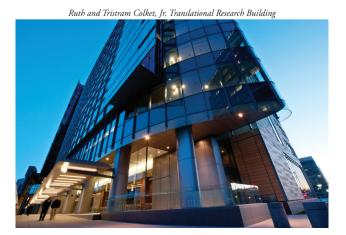

#### **Keynote Speaker**

Mary Massery, PT, DPT, DSc

Dr. Massery received her BS degree in Physical Therapy from Northwestern University in 1977, her DPT from the University of the Pacific in 2004 and her DSc from Rocky Mountain University in 2011. Her publications and interests focus on linking motor behaviors to breathing and/or postural mechanics in both pediatric and adult patient populations.

Dr. Massery has been invited to give more than 800 professional presentations in 49 U.S. states, nine Canadian provinces, and 15 countries worldwide, including more than 100 presentations for the American Physical Therapy Association. Dr. Massery has delivered keynote and major addresses on topics such as cystic fibrosis and posture, neuropulmonary deficits, pectus excavatum (chest deformities), and connections between posture and breathing.

Dr. Massery has received national awards from the APTA, including its highest clinical award, The Florence Kendall Practice Award, honoring "one's outstanding and enduring contributions to the practice of physical therapy." She has been honored as Outstanding Alumnus of the Year by each of her three alma maters. And in 2016, she was awarded Northwestern University's Alumnae Research Achievement Award. Dr. Massery continues to maintain a private practice in Chicago, specializing in breathing and postural dysfunction.

# Registration

The registration fee is \$125 and includes continental breakfast, breaks, lunch, parking and syllabus material.
