

# SAVE THE DATE

## The Beat Goes On

**Saturday, June 27, 2026**

**The HUB for Clinical Collaboration  
on CHOP's Main Campus**

### **Course Overview**

An interactive, day-long conference for adolescents and young adults with congenital heart disease (CHD) and their families, to connect with other CHD patients and caregivers, and build knowledge and skills to succeed as an adult with congenital heart disease.

### **Target Audience**

CHOP cardiology patients 16 and older, and their caregivers.
