Course Overview

This national educational conference dedicated to advancing advanced pediatric practice is designed to meet the diverse needs of Advanced Practice Providers (APPs) and features four specialized learning tracks:

- **Acute Care**
- **Ambulatory & Primary Care**
- **APP Leadership & Management**
- **Informatics**

Attendees can customize their conference experience by selecting sessions aligned with their clinical interests, leadership goals, and professional development needs. A combination of expert-led educational sessions, interactive discussions, and innovative virtual programming provides a dynamic and flexible learning environment.

This comprehensive conference showcases nationally recognized speakers and timely content spanning the full spectrum of pediatric advanced practice. Sessions will highlight emerging clinical advancements, evidence-based patient care strategies, healthcare innovation, professional growth, leadership development, workforce optimization, and best practices for APP leaders and managers.

Beyond the educational program, attendees will have numerous opportunities to connect and collaborate with peers from across the country. Dedicated networking events provide virtual engagement opportunities and are designed to foster meaningful professional relationships and the exchange of best practices.

The conference also features a **Virtual Poster Hall**, showcasing innovative research, quality improvement initiatives, evidence-based practice projects, and clinical advancements from APPs and interdisciplinary teams nationwide. This interactive platform allows participants to explore poster presentations while discovering innovative approaches that can be translated into practice.

Participants will leave with actionable knowledge, expanded professional networks, and practical tools to enhance patient care, support organizational success, and advance their careers in pediatric advanced practice.

General Information

Choose the option that best fits your schedule and learning preferences:

Live Virtual Conference – $450 (General) / $300 (Students): Includes access to the live-streamed conference sessions, interactive presentations and continuing education credits.

Enduring Material – $700 (General)/$450 (Students): Provides access to recorded conference content from all four tracks for on-demand viewing and CEU credit only after the event concludes and for up to 6 months.

Full Access (Live + Enduring) – $600 (General)/$400 (Students): Enjoy the full experience with access to both the live virtual conference and enduring materials, from all four tracks, for maximum flexibility and value.

Course Objectives

Upon completion of this course, participants should be able to:

- Increase knowledge of pediatric healthcare practices
- Integrate evidence-based practices into their clinical practice, resulting in improved patient care outcomes
- Engage in interdisciplinary collaboration, fostering communication and teamwork among interdisciplinary teams
- Gain insights into strategies for delivering patient-centered care, addressing cultural competency, communication skills and shared decision-making

Accreditation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by the Children's Hospital of Philadelphia. The Children's Hospital of Philadelphia is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Nurses: This activity provides a maximum of 14.5 (Live) or 58 (Recording) ANCC contact hours, of which a maximum of 5 (Live) or 9.75 (Recording) are pharmacotherapeutic hours.

Physician Assistant: Children's Hospital of Philadelphia has been authorized by the American Academy of Physician Associates (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for a maximum of 14.5 (Live) or 58 (Recording) AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Cancellation and Refund Policy

Children's Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, Children's Hospital of Philadelphia will refund any registration fees, less a $75 service charge, but is not responsible for any related costs, charges or expenses to participants. To process refunds for course withdrawals, cancellation must be received in writing by Wednesday, November 25, 2026. No refunds will be issued thereafter.
