

10TH ANNUAL INTEGRATIVE HEALTH SYMPOSIUM

Where Perspectives Meet: Building Evidence
Informed Integrative Pediatric Practices

Wednesday, November 4, 2026
9am – 5pm Hybrid Symposium

Course Overview

Where Perspectives Meet: Building Evidence Informed Integrative Pediatric Practices invites clinicians, researchers, and students to explore the evolving landscape of whole child health. This year's program brings together leading voices to examine the pediatric microbiome, evaluate mind body modalities, unpack the science behind popular diets and supplements, and strengthen our collective ability to counter health and wellness misinformation. Through interdisciplinary dialogue and a shared commitment to evidence informed care, the conference aims to advance integrative pediatric practices that are both innovative and grounded in rigorous science.

Course Objectives

Participants will be able to:

- Describe current evidence on the pediatric microbiome and its implications for integrative clinical practice.
- Evaluate the effectiveness and safety of mind body modalities, popular diets, and commonly used supplements in pediatric populations.
- Identify strategies for addressing and correcting health and wellness misinformation encountered by families and caregivers.
- Integrate evidence informed approaches from multiple disciplines to support whole child, patient centered pediatric care

General Information

The conference will be virtual with the option to attend the conference at Children's Hospital of Philadelphia and meet the Integrative Health Team. The registration fee includes syllabus materials and handouts, regardless of whether attendance is in person or virtual. If you register in person and wish to attend virtually, you **MUST** notify us by October 20, 2026.

Post-Conference Session

Mindful Self-Compassion Training: In-Person Training

Thursday, November 5, 2026

The HUB Auditorium at the Children's Hospital of Philadelphia

This one-day, evidence-based professional development experience introduces healthcare providers to the principles and practices of Mindful Self-Compassion (MSC), developed by Kristin Neff and Christopher Germer. Drawing on a research base of thousands of studies, the day combines psychoeducation, guided experiential practice, reflection, and small-group learning to help participants build the internal resources that sustain compassionate, effective care.

For more information, please visit chop.cloud-cme.com. Space is limited.

Early bird rate: \$150

After September 30: \$175

Accreditation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Children's Hospital of Philadelphia is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Children's Hospital of Philadelphia designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This program provides 6.5 ANCC contact hours.

If the activity is dietetics related but not targeted to RDs or DTRs, CPEUs may be claimed which are commensurate with participation in contact hours (1 hour/60 minutes = 1 CPEU).

RDs and DTRs are to select activity type 102 in their Activity Logs. Performance Indicator selection is at the learner's discretion.

RD/DTR: This activity awards 6.5 CPEUs.

American Psychological Association Statement

AMERICAN
PSYCHOLOGICAL
ASSOCIATION

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs.

Psychologists: This activity provides 6.5 APA CE credit.

Joint Accreditation IPCE Credit Statement

IPCE CREDIT™

This activity was planned by and for the healthcare team, and learners will receive 6.5 Interprofessional Continuing Education (IPCE) credit for learning and change.

Maintenance of Certification Statement

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 6.5 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit. Completion of this RD/DTR profession-specific or IPCE activity awards CPEUs (1 IPCE credits = 1 CPEU).

Social Work Accreditation Statement

As a Jointly Accredited Organization, the Children's Hospital of Philadelphia is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 6.5 general continuing education credits.

Cancellation and Refund Policy

Children's Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, Children's Hospital of Philadelphia will refund any registration fees, less a \$40 service charge, but is not responsible for any related costs, charges, or expenses to participants, including cancellation charges assessed by airlines or travel agencies. To process refunds for course withdrawals, cancellation must be received in writing by October 20, 2026. No refunds will be issued thereafter.

Services for People With Disabilities

If special arrangements are required for an individual with a disability to attend this meeting, please contact the Continuing Medical Education Department at 215-590-5263.
