

Dr. Michelle Oboite, MD

Dr. Michelle Oboite received her medical degree (MD) from Duke University School of Medicine. She completed her pre-residency fellowship in dermatology at Johns Hopkins School of Medicine, her dermatology residency at Medstar Washington Hospital Center/Georgetown University Hospital, and her post-residency fellowship in pediatric dermatology at the Children's Hospital of Philadelphia. Her clinical and research interests are in scalp and hair disorders with a special focus on scarring alopecia. She is committed to addressing health disparities, and currently serves as the director of Health Equity and Community Engagement for pediatric dermatology at the Children's Hospital of Philadelphia.
