OVERVIEW

This program is intended to enable the learner to successfully complete the American Nurses Credentialing Center (ANCC) generalist examination in nursing professional development (NPD). This course also enables novice NPD practitioners to develop foundational knowledge for the specialty practice.

GENERAL INFORMATION

The conference will be held on Thursday, Nov. 30, and Friday, Dec. 1, 2017, in the Buerger Center for Advanced Pediatric Care – Raymond G. Perelman Campus at Children’s Hospital of Philadelphia. The registration fee (**\$275 before Oct. 1; \$325 after Oct. 1**) includes continental breakfast, breaks, lunch, parking (**Wood parking garage only**) and syllabus material. For more information, go to chop.cloud-cme.com.

TARGET AUDIENCE

- Registered nurses preparing for certification in Nursing Professional Development
- RNs new to the NPD role
- RNs desiring additional education in the NPD processes

CONTINUING NURSING EDUCATION APPROVED PROVIDER STATEMENT

Association for Nursing Professional Development (ANPD) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. This nursing activity has been approved for 16.0 contact hours for the full two-day program.

Attendance at each full day is required to receive contact hours. Partial credit may be awarded for each day. Notify the instructor if partial credit is needed.

CONFLICT OF INTEREST

No faculty or planners have a conflict of interest with the development or implementation of this course.

PRE- AND POST-TEST INFORMATION

Earn up to two additional contact hours by taking the Nursing Professional Development Certification Preparation Course pre- and/or post-test in the ANPD Professional Development Center. Each test, which contains 60 questions, awards one contact hour. Measure your progress made during the course by comparing your pre-test score with your post-test score. In addition, you can see which domains should be areas of focus when preparing for the certification exam. Instructions to access the pre- and post-test will be provided to attendees two weeks in advance of the course.
