3401 Civic Center Blvd., Philadelphia, PA 19104

ADDRESS SERVICE REQUESTED
COURSE OVERVIEW
Participation in sports, from youth leagues to high school athletics, has resulted in increased injury rates for the pediatric and adolescent population. This course will outline the use of evidence-based decision making for surgical and physical therapy management of pediatric and adolescent sports injuries in the developing athlete. This course will be a single-day event focusing on the effects of growth and development of the young athlete and their impact on injuries, rehabilitation and surgical approach.

GENERAL INFORMATION
The conference will be held in the Leonard and Madlyn Abramson Pediatric Research Center at Children’s Hospital of Philadelphia, 3501 Civic Center Blvd., Philadelphia, PA 19104. The course registration fee is $150 and includes continental breakfast, breaks, lunch, parking and syllabus material.

COURSE OBJECTIVES
Upon completion of this course, participants should be able to:
• Understand the pathophysiology of and conservative and surgical management behind chondral injuries of the knee in adolescent athletes
• Understand rehabilitation principles following conservative or surgical management of chondral injuries of the knee in adolescent athletes
• Describe the effects of growth and developing bone and its impact on injuries and rehabilitation of the young athlete
• Describe the impact of lifestyle (specifically nutrition and sleep) on performance and recovery following injury in the young athlete
• Describe unique training and rehabilitative techniques to optimize performance and recovery following injury in the adolescent athlete

PHYSICAL THERAPY ACCREDITATION
Children’s Hospital of Philadelphia has submitted this for approval of 6.0 continuing education hours through the state physical therapy boards of Pennsylvania, New Jersey and Delaware, and the National Athletic Trainer’s Association.

HOTEL ACCOMMODATIONS
A block of rooms has been reserved at reduced rates at the Inn at Penn (Beinsteinn.com), located just a few blocks from Children’s Hospital of Philadelphia. The group overnight rate is $179 single and double occupancy plus a 15.2 percent room tax. Participants are required to make their own hotel accommodations by calling the Inn at Penn directly at 215-590-7283. The special room rate will be available until Friday, Oct. 6, 2017. After that date, reservations will be accepted on a space and rate availability basis.

CANCELLATION AND REFUND POLICY
Children’s Hospital of Philadelphia reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation or postponement, Children’s Hospital of Philadelphia will refund any registration fees, less a $25 service charge, but is not responsible for any related costs, charges or expenses to participants, including cancellation charges assessed by airlines/ travel agencies. In order to process refunds for course withdrawals, cancellation must be received in writing by Friday, Oct. 13, 2017. No refunds will be issued thereafter.

SERVICES FOR PEOPLE WITH DISABILITIES
If special arrangements are required for an individual with a disability to attend this meeting, please contact the Continuing Medical Education Department at 215-590-5263.

PROGRAM | FRIDAY, OCT. 20, 2017

8 a.m.  Registration and Continental Breakfast
8:25 a.m.  Welcome and Opening Remarks

Growing Bone in the Developing Athlete
8:30 a.m.  Osteochondritis Dissecans in the Youth Athlete: Classification, Conservative and Surgical Management
Timothy Ganley, MD

9 a.m.  Rehabilitation Considerations for Non-operative Management of Osteochondritis Dissecans
Rebecca Frank Burnett, PT, DPT, PCS

9:30 a.m.  Rehabilitation Considerations for Conservative and Post-operative Management of Osteochondritis Dissecans
Jamila Aberdeen, PT, DPT, OCS

10 a.m.  Rehabilitation of the Adolescent Athlete Following Surgical Intervention for Osteochondritis Dissecans
Jamila Aberdeen, PT, DPT, OCS

10:30 a.m.  Break

10:45 a.m.  Growing Pains: Science Behind Apophysitis in the Adolescent Athlete
Michael Karl, PT, DPT, OCS, FAAOMPT

11:15 a.m.  Management of Apophysitis in the Adolescent Athlete
Julie Ann Dyke, PT, DPT, SCS, CSCS

11:45 a.m.  Expert Panel Discussion for Developing Bone
Theodore Ganley; Julie Ann Dyke; Jamila Aberdeen; Rebecca Frank Burnett; Michael Karl

Noon  LUNCH

Optimizing Rehabilitation and Performance for the Adolescent Athlete
1 p.m.  Nutritional Impact on Performance and Rehabilitation
Kimberly Cover, MS, RDN, CSSD, LPC, LDN

1:45 p.m.  Sleep Habits for Optimal Healing and Performance
Melissa S. Xanthopoulos, PhD

2:30 p.m.  Break

2:45 p.m.  Blood Flow Restriction Training: New Direction in Training and Rehabilitation in the Young Athlete
Jan Leahy, PT, DPT, OCS, CSCS, FAAOMPT

3:30 p.m.  Periodization Training to Maximize Rehabilitation Outcomes
Kim Knecht, PT, MS, SCS, CSCS

4:15 p.m.  Expert Panel Discussion for Optimizing Rehabilitation and Performance
Kimberly Cover; Melissa Xanthopoulos; Jan Leahy; Kim Knecht

4:50 p.m.  Adjourn
