COURSE INFORMATION

PURPOSE AND TARGET AUDIENCE

The increasing number of acutely ill and injured pediatric patients presenting to Emergency Departments and offices requires that emergency physicians, pediatric emergency physicians, pediatricians, family physicians, pediatric nurse practitioners and physician assistants be prepared to assess, diagnose and expertly treat a wide variety of pediatric emergencies. Diagnostic and therapeutic practices continue to evolve, and patient care recommendations and guidelines continue to improve. This course will feature state-of-the-art teaching formats, including evidence-based lectures, small group discussions, workshops, and simulation in procedural skills, resuscitation and diagnostic reasoning.

COURSE OBJECTIVES

Upon completion of this course, participants will be able to:

- Describe approach to the resuscitation of a child in cardiopulmonary arrest based on the most recent PALS guidelines
- Discuss key aspects of the controversies around fluid resuscitation in patients with diabetic ketoacidosis
- Elaborate on areas of consensus and controversy in managing pediatric trauma
- Describe newer indications and uses for point-of-care ultrasound in the pediatric emergency department
- Recognize patients with emerging infectious diseases presenting to the Emergency Department
- Be able to implement new evidence about use of noninvasive ventilation for pediatric patients with bronchiolitis and other respiratory conditions

ACCME ACCREDITATION STATEMENT

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for physicians.

AMA CREDIT DESIGNATION STATEMENT

Children's Hospital of Philadelphia designates this live activity for a maximum of 20.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MAINTENANCE OF CERTIFICATION STATEMENT

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 20.0 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

CANCELLATION AND REFUND POLICY

Refunds will be processed with written notification of cancellation if received by Monday, Oct. 21, 2019, subject to a \$75 service charge. Children’s Hospital of Philadelphia reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of a cancellation or postponement, Children’s Hospital of Philadelphia will refund the registration fees, but is not responsible for any related costs, charges or expenses to participants, including charges assessed by airlines, hotels and travel agencies.
