PROGRAM OVERVIEW

Children's Hospital of Philadelphia is pleased to announce Multidisciplinary Lessons in Pediatric Oculoplastics: Featuring the 3rd James A. Katowitz Lecture in Oculoplastic and Orbital Surgery. This half-day course is intended for pediatric ophthalmologists, oculoplastics and orbital surgeons, neuro-ophthalmologists, pediatric healthcare providers and general ophthalmologists, optometrists, orthoptists, ophthalmic technicians and other specialists interested in pediatric ophthalmology.

GENERAL INFORMATION

The conference will be held on Saturday, Oct. 19, in the Leonard and Madlyn Abramson Pediatric Research Center. Registration will begin at 8 a.m. As part of our ongoing green initiative, syllabus materials will not be distributed at the conference, but will be available online up to one week prior and two weeks following the conference.

COURSE OBJECTIVES

Upon completion of the course, the participant should be able to:

- Recognize distinctive radiographic features of common orbital conditions in children
- Discuss medical and surgical management of venolymphatic malformations
- Incorporate new tips for success in pediatric ptosis surgery

HOTEL INFORMATION

A block of rooms has been reserved at the Sheraton University City Hotel, located three blocks from the hospital. The group rates are \$172 single and double occupancy, plus a 15.5% room tax. To make reservations, contact the Sheraton University City Hotel directly at 888-627-7071, and be sure to mention the name of the conference when you make reservations.
