

Call for Workshops & Abstracts

8th Annual Education Day

January 15, 2025

Education Day is a dynamic forum where all CHOP educators, researchers, clinicians, and trainees converge to exchange ideas on health professions education. This innovative, one-day program boasts an impressive lineup of speakers, engaging workshops, insightful abstracts, and captivating poster presentations, all aimed at showcasing the exceptional work of CHOP's health professions educators.

Grand Rounds Speaker

Dan Dworkis, MD PhD FACEP

Board-certified Emergency Physician
Chief Medical Officer at the Mission Critical Team Institute
Founder of The Emergency Mind Project
Assistant Professor of Emergency Medicine at the Keck School of Medicine of USC
