

SAVE THE DATE FOR THE FOURTH ANNUAL INTEGRATIVE HEALTH SYMPOSIUM

Integrative Approaches to Brain Health

Friday, Sept. 25, 2020 *Virtual Symposium*

Brain health is a priority across the lifespan, and cognitive and mental health disorders can be among the most challenging problems to treat. This conference will focus on five common brain disorders — autism, attention deficit disorder, headache, depression and dementia. Participants will learn evidence-based integrative approaches to the prevention, treatment and management of these disorders.
