Course Information

Who Should Attend

This national multidisciplinary conference is designed for all healthcare professionals involved with the care of injured children, including surgeons, emergency medicine physicians, nurse practitioners, nurses, physician assistants, pre-hospital providers and social workers.

Objectives

- Describe current treatment and technological advances that decrease pediatric death and disability
- Discuss how trauma affects the physical and emotional future of the pediatric patient
- Identify strategic measures to reduce the incidence of pediatric traumatic injuries

ACCME Accreditation

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA Credit Designation

Children's Hospital of Philadelphia designates this live activity for a maximum of 13.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Note: The optional lunch sessions held on Friday and Saturday are each accredited for 1.0 *AMA PRA Category 1 Credits™*.

American Board of Surgery (ABS) Maintenance of Certification (MOC)

11.0 hours of credit qualify for Part 2 of the ABS MOC, Lifelong Learning and Self-Assessment.

Continuing Nursing Education Approved Provider Statement

Children's Hospital of Philadelphia is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

EMS Accreditation

Application for Continuing Education credits has been submitted to the Pennsylvania Department of Health Bureau of EMS through the Children's Hospital of Pittsburgh of UPMC. Your CEUs will be applied to your Status Report within two weeks of the conclusion of the symposium. Providers from other states will be provided with a certificate of attendance.

Social Work Accreditation

Children's Hospital of Philadelphia is a pre-approved provider of continuing education credits for Pennsylvania Licensed Social Workers, Marriage and Family Therapists, and Professional Counselors. Participants licensed in Pennsylvania who attend the full workshop and complete the required evaluation are eligible for 11.5 Continuing Education Credits. Participants licensed in other states should check with local licensing boards to determine continuing education approval.

Call for Abstracts

The oral abstract and poster sessions will focus on topics of interest and importance to all clinicians involved in the care of pediatric trauma patients.

Abstracts will only be accepted for review until the submission deadline, **Friday, Nov. 22, 2019**.

To learn more and submit an abstract, go to templeotrauma.org.

When Timing Saves a Child's Life

As EMS providers, do you have limited pediatric focused education? Join us for a half-day workshop. Meet the pediatric trauma experts as they share case-based scenarios and offer hands-on advanced skills stations for each participant to practice and reinforce skills necessary for assessing and managing infants and children "on the scene." You will have the opportunity to practice challenging situations for immobilizing and extracting pediatric victims; managing difficult pediatric airways; video intubation; and gaining access for fluid resuscitation. Finally, you will learn what to say when you are the first to communicate with parents whose child dies due to trauma that occurs "out of the hospital." Registration fee is \$50.
