COURSE INFORMATION

This one-day program created by CHOP Primary Care Network, will provide primary care pediatricians and advanced practice providers with the most up-to-date information on a variety of common pediatric issues and current research. By the end of the conference, attendees will be able to recognize threats to public health, analyze current pediatric primary care literature, critique current practice guidelines, and create a wellness and/or safety culture. The speakers represent experts from across Children's Hospital of Philadelphia in an interdisciplinary education model.

GENERAL INFORMATION

The conference will be held in the Leonard and Madlyn Abramson Pediatric Research Center at Children's Hospital of Philadelphia. The registration fee is \$100 and includes continental breakfast, breaks, lunch, parking and syllabus material.

COURSE OBJECTIVES

1. Define common pediatric dermatologic conditions and prepare for their management within primary care
2. Describe the current management of asthma and differentiate treatment options based on asthma phenotype
3. Explain the most common bacterial pathogens of pediatric illnesses and select appropriate antibiotics to minimize antimicrobial resistance globally
4. Evaluate personal priorities in addressing wellness and safety for self and patients, and, through hands-on workshops, create strategies for promotion of a wellness and/or safety culture

ACCME ACCREDITATION STATEMENT

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for physicians.

AMA CREDIT DESIGNATION STATEMENT

Children's Hospital of Philadelphia designates this live activity for a maximum of 6 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CANCELLATION AND REFUND POLICY

Children's Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, Children's Hospital of Philadelphia will refund any registration fees, less a \$40 service charge, but is not responsible for any related costs, charges or expenses to participants, including cancellation charges assessed by airlines or travel agencies. In order to process refunds for course withdrawals, cancellation must be received in writing by Friday, March 27, 2020. No refunds will be issued thereafter.
