

UPDATES IN PRIMARY CARE VIRTUAL CONFERENCE

Saturday, April 10, 2021

Learn more: chop.cloud-cme.com

COURSE OVERVIEW

This one-day program will provide primary care pediatricians and advanced practice providers with the most up-to-date information on a variety of common pediatric issues and current research. By the end of the conference, attendees will be able to critique common pediatric topics with the lens of lessons learned during the COVID-19 pandemic and focus on action steps in creating an equitable future in pediatrics. The speakers represent experts from across Children's Hospital of Philadelphia in an interdisciplinary education model that highlights primary care experts alongside subspecialists and other care providers.

GENERAL INFORMATION

The registration fee includes the conference live stream, online presentations, and CME/CEU and other credits. The registration fee is \$50.

COURSE OBJECTIVES

Upon completion of this course, participants will be able to:

1. Critique common pediatric topics with the lens of lessons learned during the COVID-19 pandemic and action steps in creating an equitable future in pediatrics
2. Define common pediatric dermatologic conditions in the context of racial health inequities
3. Evaluate cardiac risk and current guidelines on sports participation after COVID-19 infection
4. Explain the changing landscape of behavioral health in pediatric patients in the setting of the COVID-19 pandemic
5. Examine priorities in addressing wellness, safety and behavioral health for self and patients through interactive workshops

ACCME ACCREDITATION STATEMENT

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for physicians.
