Breakthroughs. Every day.[™]

Overview

This one-day Helping Babies Breathe (HBB) Master Trainer Course, 2nd edition, is designed to provide participants with neonatal resuscitation skills and prepare them to train others in the initial steps of neonatal resuscitation. The HBB curriculum, which focuses on the Golden Minute after birth, is specifically designed for low-resource environments and has been shown to significantly reduce neonatal mortality and fresh stillbirths. HBB is an initiative of the American Academy of Pediatrics in collaboration with other global health organizations.

The HBB Master Trainer Course, 2nd edition precedes the 13th Annual Pediatric Global Health Conference: **Making Up for Lost Time: Addressing Children's Needs Post-pandemic (Oct. 29 – 30, 2021)**.

For more information:

<https://chop.cloud-cme.com/course/courseoverview?P=5&EID=2584>

Objectives

After attending this course, participants should be able to:

- Identify key messages of HBB
- Successfully carry out all the exercises (Preparation, Routine Care for All Babies, the Golden Minute, and Continued Ventilation with Normal or Slow Heart Rate)
- Demonstrate mastery of bag and mask ventilation (skill check)
- Successfully complete the written/verbal knowledge check and OSCE A and B
- Demonstrate presentation of HBB content, including key messages from the Facilitator Flip Chart and incorporation of all the HBB learning materials
- Facilitate small groups learning with participants of various ability levels
- Evaluate learner performance
- Prepare and supervise participants in continued learning in the workplace
- Access resources to plan and evaluate courses

Target Audience

All providers interested in, or already working in, the field of global health in pediatric/neonatal care. This includes physicians (especially pediatricians, neonatologists and obstetricians), midwives, advanced practice providers, nurses, students, social workers, allied health professionals, public health professionals, researchers and trainees.

General Information

The conference will be held at Children's Hospital of Philadelphia in the Roberts Center for Pediatric Research, Thursday, Oct. 28, 2021.

Registration Fee — \$200

The registration fee includes breakfast, lunch and breaks during the hours of the conference and online course syllabus.

Participants are encouraged to purchase the NeoNatalie Newborn Educational Mannequin and Helping Babies Breathe, 2nd edition Facilitator Set (links to purchase are below). Mannequins will be available for use during the training.

Because this is a condensed one-day course, participants must review the curriculum and pass a provided multiple-choice knowledge exam **prior to the start of the course**.

Conference Preregistration is **required** — please visit **chop.cloud-cme.com**.

For your safety and the safety of those around you, we encourage all participants to be fully vaccinated against COVID-19.

Registration is limited, so register early to secure a spot.

ACCME ACCREDITATION STATEMENT

Children’s Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT

Children’s Hospital of Philadelphia designates this live activity for a maximum of 10 *AMA PRA Category 1 credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSING STATEMENT

Nurses will receive a CME certificate of completion. Nurses may use CME category 1 credits for re-licensure in many states, as well as most re-certifications. Please check your state board and certifying body for re-licensure and re-certification requirements.

NeoNatalie Newborn Educational Mannequin – AAP

The Facilitator Set and the Educational Mannequin can be purchased at the following links:

- **NeoNatalie Newborn Educational Mannequin:** shop.aap.org/neonatalie-newborn-educational-mannequin-dark-skin-kit

Services for Persons with Disabilities

Participation by all individuals is encouraged. If arrangements are required for an individual with special needs to attend this meeting, please contact the CHOP CME Department at 215-590-5263 at least two weeks in advance so that we may provide better service to you during the conference.

Cancellation and Refund Policy

Children's Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, Children's Hospital of Philadelphia will refund any registration fees, but is not responsible for any related costs, charges or expenses to participants, including cancellation charges assessed by airlines/travel agencies. In order to process refunds for course withdrawals, cancellations must be received in writing by Wednesday, Oct. 27, 2021. No refunds will be issued thereafter.
