**FEB. 11 – 14, 2021**

Resilience in Pediatric and  
Congenital Cardiovascular  
Disease

Join us **online** for a  
comprehensive professional  
educational experience  
not to be missed!

Due to safety considerations surrounding the COVID-19 pandemic, our 24th annual event will be held **virtually**. Like our live conference, this virtual iteration will remain distinctive, dynamic and interactive as we highlight breaking research in pediatric cardiology and explore the latest developments in our ever-expanding field.
