Children's Hospital
of Philadelphia®

Breakthroughs. Every day.®

COURSE OVERVIEW

This one-day program will provide primary care pediatricians and advanced practice providers with the most up-to-date information on a variety of common pediatric issues and current research. By the end of the conference, attendees will be able to identify action steps in promoting climate-friendly practices, critique the top journal articles from 2021 and explore opportunities for partnering with schools. The speakers represent experts from across Children's Hospital of Philadelphia and other acclaimed national speakers in an interdisciplinary education model that highlights primary care experts alongside subspecialists and other care providers.

GENERAL INFORMATION

The registration fee includes the conference live stream, online presentations, and CME/CEU and other credits. The registration fee is \$100.

COURSE OBJECTIVES

Upon completion of this course, participants will be able to:

1. Critique common pediatric topics through a lens of promoting climate-friendly practices
2. Explore opportunities for partnership between pediatric providers and schools in managing patients with behavioral and/or mental health diagnoses
3. Define how nutritional goals for pediatric athletes vary from non-athletes
4. Explain differences in sexual differentiation and the laboratory evaluation of these differences
5. Examine through interactive workshops how to interpret common labs and procedures, perform disease-specific examinations or evaluate adolescent health

ACCME ACCREDITATION STATEMENT

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for physicians.

AMA CREDIT DESIGNATION STATEMENT
