14th ANNUAL CHOP

PEDIATRIC GLOBAL HEALTH CONFERENCE:

Frontiers in Global Child Health

Friday, Sept. 30 and Saturday, Oct. 1, 2022

Arthur H. Rubenstein Auditorium, Smilow Center for Translational Research
Perelman School of Medicine at the University of Pennsylvania

Join us for this hybrid conference that will bring together global child health advocates and experts as we seek bold and innovative approaches to improve child health by tackling current and emerging challenges.
