Preceptor Skill Building

Incorporating Informatics into APP Practice

Children's Hospital
of Philadelphia®

Breakthroughs. Every day.®

Course Overview

The Current Concepts in Pediatric Advanced Practice Conference commences in 2023 which marks the third anniversary of Children's Hospital of Philadelphia's innovative Advanced Practice Provider Conference. This one-of-a-kind conference is packed with dynamic speakers and a wide variety of topics related to all aspects of pediatric advanced practice including innovations in medical management and professional development strategies as well as leadership and topics for managers.

Three distinct program tracks—Acute Care, Ambulatory/Primary Care and Managing APPs—allow attendees to tailor their experience based on their interests. Virtual opportunities for interactive learning and professional networking will augment the didactic components of the sessions. After the live virtual conference, attendees have the opportunity to view presentations from any of the three program tracks for additional contact hours. Attendees can earn more than 40 continuing education hours and 16 pharmacology hours...pending approval.

New this year—Build on your precepting skills and/or learn how to incorporate informatics into APP practice by joining one of these two optional preconference workshops.

The conference is targeted to advanced practice providers, physician colleagues, nurses and students in all practice areas throughout the spectrum of pediatric healthcare.

Nursing and pharmacology contact hours will be provided by the American Nurses Credentialing Center's Commission on Accreditation (ANCC). This program is not yet approved for AAPA CME credit. Conference organizers plan to apply for AAPA Category 1 CME credits from the AAPA Review Panel. The total number of approved credits is yet to be determined.

Keynote Speakers

Greg Hedler, LCSW, ACC is program manager for strategic talent management and learning at Children's Hospital of Philadelphia's Center for Professional Growth.

Daniel Hyman, MD is chief safety and quality officer at Children's Hospital of Philadelphia and is a clinical professor of Pediatrics at the Perelman School of Medicine at the University of Pennsylvania.

Mary Kay Schwemmer is associate vice president and chief counsel at Children's Hospital of Philadelphia.

Tad Worku, FNP—BC is a coach, singer, songwriter, speaker and family nurse practitioner. He spent six years as an emergency/trauma nurse at Loma Linda University Health, has been honored with the Daisy award, nurse of the year award, child life hero's award, and spiritual life service award. Worku is currently a mission coach for Inland Empire Health Plan (IEHP), as well as a keynote speaker.

GENERAL INFORMATION

Virtual Conference: The registration fee includes the conference livestream, online presentations, and CEU and other credits.

The registration fee for the virtual conference is \$500; \$300 for students.

The registration fee for each preconference session is \$100 or \$150 for both sessions.

Course Objectives

1. Describe current evidence-based practices for managing pediatric patients across the healthcare spectrum.
2. Identify opportunities for innovative approaches to caring for pediatric patients.
3. Explain the current state of practice for APPs across the nation.
4. Discuss management strategies to optimize team structure, leadership, and professional development.

Nursing Continuing Professional Development Approved Provider Statement

Children's Hospital of Philadelphia is approved as a provider of nursing continuing professional development by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

CANCELLATION AND REFUND POLICY

Children's Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, Children's Hospital of Philadelphia will refund any registration fees, less a \$75 service charge, but is not responsible for any related costs, charges or expenses to participants. In order to process refunds for course withdrawals, cancellation must be received in writing by Friday, Nov. 24, 2023. No refunds will be issued thereafter.
