COURSE OVERVIEW

The 15th Annual CHOP Pediatric Global Health Conference brings together colleagues from around the world to **Shape the Future of Global Child Health** using an equity, bottom-up and community-informed strategy that is captured in the phrase **Nothing About Us Without Us**. In the wake of the COVID-19 pandemic, the global health community has been grappling with the realities of global disparities that led to the prioritization of the needs of communities in high-income countries (HIC) over those in low- and middle-income countries (LMIC). There have been increasing calls to decolonize global health and promote global health equity. Therefore, this conference will enable participants to critically reflect on ways to bridge the gap to create and sustain mutually beneficial and equitable partnerships that leverage the knowledge and expertise of stakeholders in both LMIC and HIC to advance global child health.

LEARNING OBJECTIVES

At the conclusion of the conference, participants will be equipped to:

- 1. Develop or identify resources to address children’s developmental and behavioral needs in resource-limited settings
- 2. Discuss how nurses play a critical role in improving child health worldwide
- 3. Identify the characteristics of effective global health partnerships
- 4. Describe at least three strategies for mitigating the impact of disasters, violence, and conflict on children’s health and well-being
- 5. Devise tools for developing equitable global medical education programs

TARGET AUDIENCE

Physicians, advanced practice nurses, nurses, social workers, allied health professionals, mental health professionals, public health professionals, researchers, human rights activists, educators, policy makers, trainees, students and anyone working or interested in the fields of global health or public health.

ACCME ACCREDITATION STATEMENT

Children’s Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT

Children’s Hospital of Philadelphia designates this live activity for a maximum of 13.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

HOTEL INFORMATION

A block of rooms has been reserved at reduced rates at the following hotel: **The Sheraton University City** located just a few blocks from Children’s Hospital. The group overnight rate is \$175 single and double occupancy plus a 16.37% room tax. Participants are required to make their own hotel reservations by calling the hotel directly at 215-387-8000. Please mention the name of the conference when making your reservation. The special room rate will be available until Monday, Aug. 28, 2023. After that date, reservations will be accepted on a space and rate availability basis.

SERVICES FOR PERSONS WITH DISABILITIES

Participation by all individuals is encouraged. If arrangements are required for an individual with special needs to attend this meeting, please contact the CHOP CME Department at 215-590-5263 at least two weeks in advance so that we may provide better service to you during the conference.

LACTATION FACILITIES

Each office floor of the CHOP HUB for Clinical Collaboration (Hub), where the mains sessions of the conference will be held, has a lactation room. Lactation rooms are also available in the Buerger Center which is adjacent to the Hub. Please contact the CHOP CME Department at CMEOffice@chop.edu at least two weeks in advance so we may ensure the rooms remain accessible on the weekend days of the conference.

GENERAL INFORMATION AND REGISTRATION FEES

The registration fee includes registration materials, continental breakfast, lunch, breaks, dinner and parking. As part of our green initiative, the conference syllabus will also be available online.
