Course Information

Overview

This half-day program will provide primary care pediatricians and advanced practice providers with the most up-to-date information on a variety of common pediatric issues and current research. By the end of the conference, attendees will be able to choose evidence-based antibiotics for common infections, critique the top journal articles from 2023, identify pediatric rashes, and explain and implement common screening guidelines, such as hearing, vision and lipids. The speakers represent experts from across Children's Hospital of Philadelphia and other acclaimed national speakers in an interdisciplinary education model that highlights primary care experts alongside subspecialists and other care providers.

General information

The registration fee includes access to the conference live stream, online presentations, and CME credits. The registration fee is \$75.

Course Objectives

- Identify common pediatric rashes that can be managed within primary care.
- Implement evidence-based guidelines for prescribing antibiotics and identify appropriate duration of antibiotics for each infection.
- Implement screening guidelines within the constraints of a busy, primary care practice with respect for health equity and value-based care.

Accreditation

In support of improving patient care, this activity has been planned and implemented by Children's Hospital of Philadelphia. Children's Hospital of Philadelphia is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Children's Hospital of Philadelphia designates this live activity for a maximum of 4.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This program provides 4.0 ANCC contact hours.

Cancellation and Refund Policy

Children's Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. Cancellations must be received in writing by Monday, March 4, 2024.
