

Current Concepts in Advanced Practice Thursday, Dec. 5 and Friday, Dec. 6, 2024 *Virtual Symposium*

Preconference Sessions Wednesday, Dec. 4, 2024

Incorporating Informatics into APP Practice
APP Well-being
Behavioral Health Considerations
for Advanced Practice

COURSE OVERVIEW

The Current Concepts in Advanced Practice Conference commences in 2024 which marks the 4th anniversary of Children's Hospital of Philadelphia's innovative Advanced Practice Provider Conference. This one-of-a-kind conference is packed with dynamic speakers and a wide variety of topics related to all aspects of pediatric advanced practice including innovations in medical management and professional development strategies as well as leadership and topics for managers.

Three distinct program tracks: Acute Care, Ambulatory/Primary Care and Managing APPs, allow attendees to tailor their experience based on their interests. Virtual opportunities for interactive learning and professional networking will augment the didactic components of the sessions. After the live virtual conference, attendees have the opportunity to view presentations from any of the three program tracks for additional contact hours. Attendees can earn more than 40 continuing education hours and 16 pharmacology hours.

Expanded this year: Join one or more of the three optional preconference sessions on incorporating informatics into APP practice, APP well-being and/or behavioral health considerations for Advanced Practice.

The conference is targeted to advanced practice providers, physician colleagues, nurses and students in all practice areas throughout the spectrum of pediatric healthcare.

Keynote Speakers

Cassie Solomon, MBA

Cassie Solomon is a highly experienced organizational development consultant and executive coach. She is the founder and president of The New Group Consulting, a firm dedicated to helping leaders design and implement successful change.

Melissa Nunn, DNP, APRN, CPNP-PC/AC, CNE, NEA-BC

Dr. Melissa Nunn serves as the inaugural Advanced Practice Director at Children's Hospital New Orleans and is an Assistant Professor of Clinical Nursing at LSU Health New Orleans School of Nursing. Dr. Nunn serves as the program coordinator for the Pediatric Primary Care and Pediatric Acute Care Nurse Practitioner Programs at LSU Health New Orleans.

Greg Hedler, LCSW, ACC

Greg Hedler is program manager for strategic talent management and learning at Children's Hospital of Philadelphia's Center for Professional Growth.

Patient and Family Experience Panel

Panelists - Monica Jones, Molly Zangrilli, Shimuna Afroja, and Kristy Dikon will be discussing the impact of keeping patients and families at the center of our care.

GENERAL INFORMATION

Virtual Conference: The registration fee includes the conference live stream, online presentations, and Continuing Education credits.

The registration fee for the virtual conference is \$500 and \$300 for students.

The registration fee for each preconference session:

- \$200 for full-day preconference session (Informatics)
- \$150 for each 1/2 day preconference session (Well-being or Behavioral Health) or \$200 for both 1/2 day conference sessions

Course Objectives

- Describe current evidence-based practices for managing pediatric patients across the healthcare spectrum
- Identify opportunities for innovative approaches to caring for pediatric patients.
- Explain the current state of practice for APPs across the nation
- Discuss management strategies to optimize team structure, leadership, and professional development

CANCELLATION AND REFUND POLICY

Children's Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, Children's Hospital of Philadelphia will refund any registration fees, less a \$75 service charge, but is not responsible for any related costs, charges or expenses to participants. In order to process refunds for course withdrawals, cancellation must be received in writing by Wednesday, Nov. 27, 2024. No refunds will be issued thereafter.
