COURSE INFORMATION

COURSE OVERVIEW

This course is directed toward primary care practitioners, including pediatricians, family practitioners, residents, nurse practitioners, physician assistants and allied healthcare providers. Participants will receive current information reviewing endocrinological disorders in neonates, children and adolescents, such as:

- The approach to the child with obesity – screening for complications and when to refer
- Hypoglycemia
- Puberty – menstrual cycle disorders
- Type 1 diabetes care outside of the Diabetes Center
- Pediatric growth
- Thyroid health
- Favorite cases from primary care referral

GENERAL INFORMATION

The Division of Pediatric Endocrinology at Children's Hospital of Philadelphia is delighted to host the seventh annual review course for primary care practitioners. This program will emphasize clinical pearls in handling common endocrine problems in areas of disorders of glucose, thyroid, lipids, puberty and genetic syndromes.

The 2017 course will be held at Children's Hospital of Philadelphia in the Leonard and Madlyn Abramson Pediatric Research Center on Saturday, Nov. 11, 2017. The registration fee (\$100) includes continental breakfast, breaks, lunch, parking (Wood parking garage only) and syllabus material. For more information, go to **chop.cloud-cme.com**.

ACCME ACCREDITATION STATEMENT

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for physicians.

AMA CREDIT DESIGNATION STATEMENT

Children's Hospital of Philadelphia designates this continuing medical education activity for a maximum of 4.75 *AMA PRA Category 1 credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

COURSE OBJECTIVES

Upon completion of this activity, participants will be able to:

- Review when to screen for causes and complications of obesity and when to refer to specialty care
- Identify what testing should be done in the primary care office for hypoglycemia, and who needs an urgent referral for endocrine evaluation
- Review normal patterns of puberty, approaches to care of pubertal and adrenal abnormalities, and the capabilities of CHOP's Puberty and Adrenal Care team
- Explain what a typical day for kids and their families is like with type 1 diabetes: what is normal vs. what is worrisome; and review improvement efforts for type 1 diabetes care at CHOP and globally
- Identify normal pediatric growth patterns, identify abnormal growth patterns, review treatment options and their efficacy, and discuss common diagnoses related to abnormal growth profiles

- Review methods for congenital hypothyroidism screening and care of pediatric thyroid disease; including common pitfalls, new emerging treatments and pediatric thyroid cancer outcomes
- Discuss follow-up from complicated and interesting primary care referrals to the endocrine clinic

HOTEL ACCOMMODATIONS

A block of rooms has been reserved at reduced rates at the Sheraton University City Hotel, 36th and Chestnut streets, located just a few blocks from Children's Hospital. The group overnight room rate is \$172 single and double occupancy plus a 15.5 percent room tax. Participants are required to make their own hotel reservations by calling the hotel directly at 888-627-7071 or 215-387-8000. Please mention the name of the conference when making your reservation. The special room rate will be available until Wednesday, Oct. 11, 2017. After that date, reservations will be accepted on a space and rate availability basis.

CANCELLATION AND REFUND POLICY

Children's Hospital of Philadelphia reserves the right to cancel or postpone any conference due to any unforeseen circumstances. In the event of cancellation or postponement, Children's Hospital of Philadelphia will refund registration fees but is not responsible for any related costs, charges or expenses to participants, including cancellations or charges assessed by hotels or airlines/travel agencies. In order to process refunds, cancellations must be received in writing by Wednesday, Nov. 1, 2017. Refunds will be issued for the amount of registration minus a \$25 administrative fee. No refunds will be issued thereafter.

SERVICES FOR PEOPLE WITH DISABILITIES

If arrangements are required for an individual with a disability to attend this meeting, please contact the Continuing Medical Education Department at 215-590-5263.
