

IPE Workshop Series

De-escalation Simulation Education to Improve Comfort and Confidence in Managing Patients with Mild Agitation

March 20, 2025

12:30pm-2pm

Abramson 123ABC

Katrina Fletcher, MD

Katie Lockwood, MD, MEd

Alyssa Rosen, MD

Register on CloudCME. Space is limited.

Objectives:

1. Identify signs and symptoms of agitation and the contextual variables that lower agitation threshold in the hospital setting to increase preventative skills and early recognition to improve patient and provider safety.
2. Explain how a de-escalation simulation can improve resident comfort and confidence in managing patients with mild agitation over a six-month follow-up period during intern year.
3. Practice environmental, non-verbal, and verbal de-escalation skills using a rapid-cycle deliberate practice simulation.

ACCREDITATION STATEMENT

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by the Children's Hospital of Philadelphia. The Children's Hospital of Philadelphia is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

DESIGNATION OF CREDIT

Physicians: Children's Hospital of Philadelphia designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This program provides 1.5 ANCC contact hours.

Disclosure Statement: Katrina Fletcher, MD, Katie Lockwood, MD, MEd, and Alyssa Rosen, MD (Speakers), Allison Moomaw, MSN, RN, NPJ-BC (Course Director) and Amy Gettlin (CE Planner) and others as appropriate have no relevant financial relationship with an ineligible company to disclose.
