

PEDIATRIC PRIMARY CARE SYMPOSIUM

Saturday, April 5, 2025

7:30 a.m. to 1 p.m. — Voorhees, NJ

This in-person symposium is designed for primary care providers in South Jersey. The interactive event will feature practical knowledge and the latest updates, a Keynote address, Q&A sessions and breakout sessions. Attendees will gain insights on current challenges and innovations in care from distinguished speakers and have the opportunity to connect with colleagues from the primary care community.
