

# CHOP's Qualitative Studio

April 19, 2023

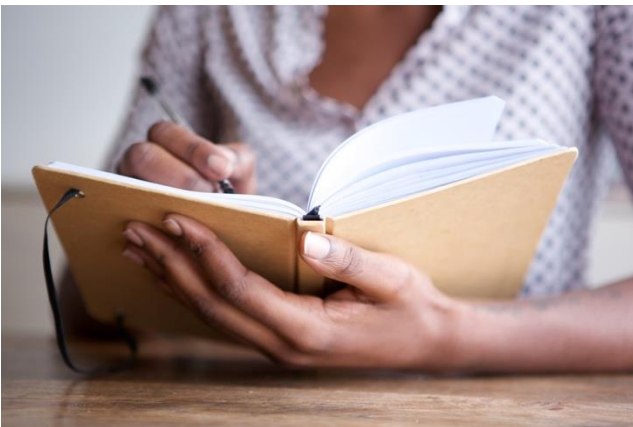

Full-day, in-person event  
with internationally  
renowned qualitative  
researchers:

Lisi Gordon, PhD

University of Dundee, Scotland

Sayra Cristancho, PhD

University of Western Ontario, Canada

## Join us for CHOP's Inaugural Qualitative Studio!

Designed to support intermediate & advanced level qualitative researchers, this hands-on workshop aims to advance the qualitative skills of our community members. In this offering, participants will develop practical skills with two innovative forms of data collection:  
rich pictures & audio diaries.

Registration: coming soon!
