Instructions: Click a button to proceed.

Step 5: Complete your profile. Required fields are marked with an asterisk.

NOTE: Make sure to select your Degree and Profession.

Step 6: When your profile is complete, click the **Submit** button at the bottom of the screen.

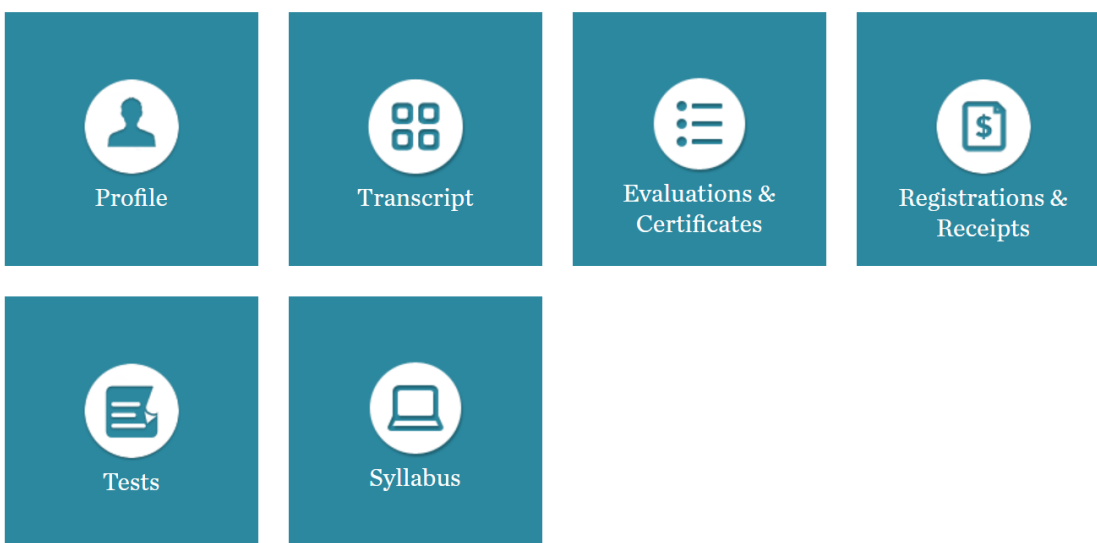

Registering for a CE Activity

At the top of the screen, you will see a menu panel. The options displayed across the top will differ among organizations. Click the option you are interested in attending.

You can scroll through the course listing, read course details, and select activities that you are interested in attending. If registration is available, a Register button will display allowing you to complete the activity registration process.

When logged into CloudCME®, you will see several tiles available to you in the My CME section. Most tiles provide information on your registered CE activities.

A description of each tile is below:

Profile - allows you to complete information about your CloudCME® account. Select your profession and degree so that you receive the appropriate CE credit upon activity completion.

Transcript - allows you to manage your transcript records. The transcript contains continuing education activities completed in CloudCME® as well as external credit activities completed outside your organization.
