To search for transcripts, select a date range for your transcript records or filter by credit type. Enter a Start Date and an End Date.

Transcript

The screenshot shows a search interface for transcripts. It includes a 'Filter by Date' section with 'Start Date' (1/1/2010) and 'End Date' (3/5/2021) fields, each with a calendar icon. A 'Filter by Credit Type(s)' dropdown menu is set to '-- Select --'. There are checkboxes for 'Show Zero Hour Credits' and 'Hide External Files'. On the right, there are buttons for 'Download Transcript', 'Email Transcript', and 'Upload Files' (with a help icon). 'Apply' and 'Clear' buttons are at the bottom.

You may append transcripts from activities completed outside of your organization. These will display at the end of your CloudCME® transcript. To append a transcript to your CloudCME® transcript, click the **Upload Files** button and select the file(s) to append.

You can store external credit documentation as a convenience by uploading a file (PDF, Word, Excel) here. Use of this feature assumes you accept and comply with all of your signed institution policies with regards to all data. This feature is strictly for educational purposes in storing your credit information obtained previously from other institutions.

Click the + to upload a file. You can also delete files by right clicking on them and selecting delete. Files uploaded to this area will automatically be appended to your transcript. If you are finished, close this window to return to the portal.

The screenshot shows a file upload interface. At the top, there is a toolbar with icons for back, forward, folder, refresh, close, and '+ Upload'. Below the toolbar is a table with two columns: 'Filename' and 'Size'. The table is currently empty, displaying the text 'No records to display.'

Transcripts may be emailed to a recipient or downloaded.
